Objective

Creative and meticulous video editor with experience in creating content that will be an effective drive of audience engagement through its branded highly visual content. Looking for new opportunities to bring along my skills and creativity.

Experience

Video Editor / Content Creator

September, 2022- February, 2023

- Developed and edited video material for a number of projects, including social media clips and promotional material.
- Worked with clients and the team to understand their vision and bring forth quality videos.
- Edited and refined the content using Capcut and Alight Motion.
- Created and managed engaging content across social media platforms to build audiences and grow them.
- Analyzing audience metrics that would drive refined content strategies and campaigns, which entailed making promotional videos and campaigns to increase the visibility and reach of content.

Education

Senior High School

- STI Batangas city (2016-2018)
 - Technical-Vocational-Livelihood-Information Technology
